iboss Privacy Policy

Last updated: 10/10/2013

Welcome to the online Privacy Statement page for the iboss.com website. We take your privacy seriously and are committed to protecting your personal information while using our website.

We encourage you to review the privacy policies described below in this Privacy Statement. By visiting this website, you are consenting to the personal information practices described in this Privacy Statement.

Contact Information

This is the web site of **iboss Cybersecurity**

Our postal address is:

**9950 Summers Ridge Road, Suite 160
San Diego, CA 92121**

We can be reached via email: sales@iboss.com(mailto:sales@iboss.com)
or you can reach us by telephone at 1-877-742-6832 ext. 1

Providing Users With Anonymous Access

You can access our Web site home page and browse our site without disclosing your personal data.

Collection of your Personal Information

For each visitor to our web page, our web server automatically recognizes no information regarding the domain or email address.

We do not automatically log personal data nor do we link information automatically logged by other means with personal data about specific individuals. We do not log IP addresses of users that visit our site.

We do not partner with or have special relationships with any ad server companies.

We collect the email addresses of those who communicate with us via email, information volunteered by the consumer, such as survey information, customer support, and/or order processing information. Order processing information that is collected through our website includes mailing and billing addresses, credit card information, and contact information such as email and phone number that are used strictly for order confirmation purposes.

If you choose to use our referral service to tell a friend about our products, we will ask you for your friend's name and email address. We will automatically send your friend a one-time email inviting him or her to visit our site for more information regarding the products. The email will include a purchase code that may be used to receive a discount through the referral program. iboss Cybersecurity does not store the names or email addresses acquired through this referral program. The name and email addresses are used for the sole purpose of sending this one-time email. The email will include a unique code that is used for receiving the referral discount and for tracking the success of our referral program.

Use of Your Personal Information

We use personal information for order processing and customer support.

Anyone who supplies us with their telephone numbers or email address online for order processing will receive telephone or email contact from us with information regarding orders they have placed online.

The information we collect is not shared with other organizations for commercial purposes.

This site utilizes a third party to process and authorize credit card information. This third party does not use the information it is provided for promotional purposes.

We reserve the right to disclose your personally identifiable information if required by law and/or when we believe that disclosure is necessary to protect our rights and/or comply with a judicial proceeding, court order, or legal process served on our web site.

Access to Your Personal Information

Upon request we provide site visitors with access to financial information (e.g., credit card account information) that we maintain about them, unique identifier information (e.g., customer number or password) that we maintain about them, transaction information (e.g., dates on which customers made purchases, amounts and types of purchases) that we maintain about them, communications that the consumer/visitor has directed to our site (e.g., emails, customer inquiries), contact information (e.g., name, address, phone number) that we maintain about them, and a description of information that we maintain about them.

Consumers can access this information by sending us an email at the above address, calling us at the above telephone number, writing to us at the above address.

Upon request we offer visitors the ability to have inaccuracies corrected in contact information, financial information, unique identifiers, transaction information, communications that the consumer/visitor has directed to the site.

Consumers can have this information corrected by sending us email at the above address, calling us at the above telephone number, or writing to us at the above address. Consumers can expect a response to such a request within 10 working days.

Security of Your Personal Information

We use industry-standard encryption technologies when transferring and receiving consumer data exchanged with our site. We have placed appropriate security measures in our physical facilities to protect against the loss, misuse or alteration of information that we have collected from you at our site.

Use of Cookies

We use cookies to record session information, such as items that consumers add to their shopping cart.

We do not use cookies to store personal data nor do we link non-personal information stored in cookies with personal data about specific individuals.

Collection of Children's Personal Information

We do not knowingly collect or store any personal information from children.

Enforcement of This Privacy Policy

If you feel that this site is not following its stated information policy, you may contact us at the above addresses or phone number.

Changes to This Statement

We may occasionally update or make changes to this privacy statement. We take your privacy seriously and will not adjust our policy to intentionally compromise your personal information. The "last updated" date at the top of the statement will reflect the last date at which the changes were made. Additionally, we may post notices regarding policy changes on the homepage or other pages on our website. We encourage you to check back periodically to review any changes to the policy that may have been made.
